3form Path to Zero goals are a commitment to continually reducing our overall environmental footprint toward the ultimate goal of total sustainability:

- *We will stop sending manufacturing waste to landfill.*
- *We will be carbon neutral by 2017.*
- *We will continue to increase the recycled content in our products*

Lumax Lighting is proud to offer 3form lenses and shares in their goal of sustainability. Through a LEED influenced approach in Lumax Lighting's daily business practices, including use of a domestic supply chain and recycled materials, we yield a reduced carbon footprint for a cleaner, greener tomorrow.
