

PAINTED
PATTERN LUMINAIRES

Choose from surface mounted, suspended linear, channels, high bays.... Any Lumax fixture that is pendant, chain, cable or surface mounted can now have the uniqueness of blending Interior design into any interior space.

Diamond Plate

Complement woodwork, stonework, wallpaper, painted walls. Great for retail spaces, conference rooms, ballrooms, offices, hospitals, lobbies, corridors.

Carbon Fiber

Choose from a variety of “painted pattern” finishes to accurately simulate various metals, woods, and other patterns or create your own pattern from a digital photo image.

(see reverse side for selected pattern finishes, other patterns available upon request)

Due to the nature of the paint process and natural characteristics of these finishes, variations in color and grain can be expected. All samples are not an exact match to the actual product shipped.
